

**Compass Pattern B - from Patricia  
Votruba's quilts, pages 48-49**

**Tape pattern halves together at center.  
Position the compass in the corner  
of YOUR setting square -  
"X" + seam allowances**

**This compass arc  
can remain in one piece during  
foundation piecing. It is easier  
than the compass on pgs. 98 / 107**
